AMENDMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

This is in response to the Office Action mailed November 29, 2002, and having a period for response set to expire on February 28, 2003. A Petition for a one-month extension of time, together with the requisite fee for same, is submitted herewith, thereby extending the period for response to March 29/31, 2003.

The following amendments and remarks are respectfully submitted. Reconsideration of the claims is respectfully requested.

IN THE ABSTRACT:

Please DELETE the Abstract in its entirety and substitute the attached new abstract.

A flat display unit has a chassis combining a display panel and circuit boards for driving the display panel into a unit in which the display panel and the circuit boards are mounted on respective opposite surfaces of the chassis. The chassis is provided with a bank (i.e., sidewall) extending about the periphery of opposite main surfaces of the chassis including at least the surface on which the display panel is mounted, perpendicularly to that surface and surrounding the periphery of the display panel 3, and hence protecting the display panel without requiring a protector, as is conventionally used during the processes of assembling, testing and transporting thereof. The chassis is also provided with through-holes and optionally with a
